

LOOKING FOR MORE THAN A JOB?
JOIN US!

CORPORATE FINANCE OFFICER

The Corporate Finance Officer will play an active role in Advanzia's asset liability management framework, support the implementation of our funding strategy and contribute to the analysis of investment opportunities. As part of the Finance department, you will interact with various internal and external stakeholders and gain a comprehensive understanding of the inner workings of the bank.

This opportunity is a full-time CDI contract.

ABOUT THE JOB | What will you do?

As a Corporate Finance Officer, you will be responsible for the following activities:

- Coordinate the delivery and review of information received from various stakeholders during due diligence and other Q&A processes
- Prepare marketing material and slide decks for investor presentations
- Conduct analyses to project the bank's funding costs and calculate the cost of capital
- Establish budget for debt issuances and monitor expenses vs budget
- Manage regular reporting to lenders in relation to collateralised loans
- Monitor the expected call dates and covenants of debt instruments and analyse their performance in the secondary market
- Establish action plans for new debt issuances and monitor proper execution of the defined plans
- Provide support with audit activities in relation to funding instruments
- Analyse new funding options available to the bank and formulate recommendations
- Support the design and implementation of strategies to manage excess liquidity
- Conduct market analyses to benchmark the bank against its peers

ABOUT YOU | What's your background?

- University degree in Business Administration, Finance, Banking or Financial Engineering, or an equivalent degree
- Experience as a financial analyst/consultant, debt/capital market advisor, treasurer or in a similar position, ideally with an exposure to the banking environment, is a plus
- Strong analytical skills and good understanding of the financial statements
- High level of proficiency with Microsoft Office, especially Excel, Word and PowerPoint
- Knowledge of SQL or other standard language to work with databases would be an asset
- CFA certification or similar is a plus
