

LOOKING FOR MORE THAN A JOB?
JOIN US!

APPLICATION DEVELOPER

The Application Developer will have the opportunity to support the growth of our business in a fast-changing environment. As part of the Digital Transformation and Platform Development department, you will play an important role in how Advanzia delivers smart products and solutions to our customers. This opportunity is a full-time CDI contract.

ABOUT THE JOB | What will you do?

As an Application Developer, you will be responsible for the following activities:

- Playing an active role in the design, drafting and implementation of new functionalities, following agile best practices for a timely delivery of the defined requirements
- Participating in the constant evaluation and optimisation of existing functionalities during ongoing software development processes
- Participation in the analysis and the acceptance criteria of business requirements in collaboration with Business Analysts
- Assisting with continuous quality assurance during the development lifecycle following the code convention and internal processes
- Ensuring regular reporting to optimise the follow-up of activities, knowledge transfer and documentation within the development team
- Supporting the change and incident handling process

ABOUT YOU | What's your background?

Required qualifications

- Bachelor's degree in a technical field (e.g. Computer Science, Information Systems) or an equivalent degree
- Good knowledge of Microsoft frameworks: C# .NET and C# .NET Core
- Good knowledge of web services (REST, SOAP)
- Relevant knowledge and experience in data modelling and usage of the Microsoft SQL Server suite or equivalent
- Unit testing background
- Relevant experience in service-oriented architecture or microservices

Desired qualifications

- Proficiency in Microsoft Developer suite, Visual Studio, Azure DevOps and Git
- Knowledge in any Agile methodology (Scrum, SAFe, ...)
- Knowledge of application lifecycle and usage of Azure DevOps
- Background in banking and/or credit card industry or consultancy
