CORPORATE FINANCE SPECIALIST (M/F/D)

The Corporate Finance Specialist will support the growth of Advanzia's business in a fast-changing environment, play an important role in the bank's asset liability management framework and support our funding diversification strategy. As part of the Finance department, you will interact with various internal and external stakeholders and will have an in-depth understanding of the inner workings of the bank. This opportunity is a full-time CDI contract.

ABOUT THE JOB | What will you do?

As a Corporate Finance Specialist, you will be responsible for the following activities:

- Preparing materials and presentations for asset liability management meetings
- Forecasting capital situation and capital needs
- Establishing funding plans and projecting funding costs
- Formulating recommendations for the bank to fulfil its liquidity requirements in an optimal way
- Monitoring expected call dates of liability instruments and covenants
- Establishing action plans for new debt issuances and monitoring proper execution thereof
- Preparing marketing material and investor presentations for investor roadshows
- Coordinating the delivery and review of information received from various departments and stakeholders during due diligence and other Q&A processes
- Preparing regular reporting to lenders in relation to collateralised loans
- Coordinating audit activities in relation to funding instruments
- Analysing data: covenants, asset performance, asset encumbrance, deposit balance analysis, credit rating KPIs, etc.
- Contributing to relationship management with transaction parties

ABOUT YOU | What's your background?

- University degree in Business Administration, Finance, Banking, Financial Engineering, or any similar discipline in the financial area
- Proven relevant experience as a financial analyst/consultant, debt and capital market advisor, treasurer or in a similar position, ideally with exposure to the banking environment
- Knowledge in financial modelling and strong problem-solving skills are must-haves
- Experience in funding issuances, credit rating processes, debt and capital markets or investor relations is a plus
- CFA accreditation or similar is a plus
- High level of proficiency with Microsoft Office, especially Excel, Word and PowerPoint

WORKING FOR ADVANZIA

THE UNCONVENTIONAL BANK
