

LOOKING FOR MORE THAN A JOB?
JOIN US!

DATA MANAGEMENT JUNIOR OFFICER (M/F/D)

As a Data Management Junior Officer you will have the opportunity to support the growth of our business in a fast-changing environment. As part of the Risk & Compliance Department you will play an important role in defining Advanzia's data governance framework and controlling the implementation of data governance practices across the bank. This opportunity is a full-time CDI contract.

ABOUT THE JOB | What will you do?

As a Data Management Junior Officer, you will be responsible for the following activities:

- Establishing data management practices by creating data governance schema, policies & procedures
- Collaborating with business, analytics and product teams to determine data needs in terms of quality and volume
- Collaborating with Architects, Provider Management and Business Engineering to design and enforce data management standards
- Formulating techniques for quality data collection to ensure adequacy, accuracy and legitimacy of data
- Devising and implementing efficient and secure data handling procedures and analyses with attention to all technical aspects
- Supporting others in the daily use of data systems and ensuring adherence to legal and company standards
- Monitoring and analysing information and data systems for performance evaluations and continuous improvement (new technologies, upgrades, etc.)

ABOUT YOU | What's your background?

- A degree in Information Technology or equivalent combination of education and experience
- First experience in data management or analysis
- Ability to decipher and organise large amounts of data
- An analytical mindset with strong communication and problem-solving skills
- Good understanding of data portability considerations and models
- Basic programming skills
- Understanding of AI and big data

WORKING FOR ADVANZIA

THE UNCONVENTIONAL BANK

WHAT WE EXPECT | What are your skills?

- Customer and service-oriented mindset
- Ability to learn, understand and apply new technologies
- An accurate, detail-oriented working style whilst keeping an eye on the big picture
- Ability to work independently but also comfortable working in a team
- Ability to deliver results within a defined timeframe
- "Can-do" and "Getting-things-done" mindset
- Fluency in English is mandatory; French, German or other languages are considered as an advantage

WHAT WE OFFER | What advantages will you have?

- Competitive compensation package
- Attractive benefits as part of the banking collective agreement
- Wide range of additional advantages such as language courses contribution, health initiatives, employee travel insurance, preferential conditions for Advanzia products, etc.
- Training and development initiatives
- Dynamic and international environment #TeamAdvanzia
- Participation in various Corporate Social Responsibility (CSR) projects as part of the bank's [Advanzia Plus](#) initiative

Where you will be working

Located in bright and modern offices in Munsbach at 15 minutes from Luxembourg City, Advanzia currently employs more than 200 staff from all over the world. We offer a pleasant and collaborative working atmosphere in a truly multicultural environment.
