DATA MANAGER (M/F/D)

As a Data Manager you will have the opportunity to support the growth of our business in a fast-changing environment. As part of the Risk & Compliance Department you will play an important role in defining Avanzia's data governance framework and controlling the implementation of data governance practices across the bank. This opportunity is a full-time CDI contract.

ABOUT THE JOB | What will you do?

As a Data Manager, you will be responsible for the following activities:

- Establishing data management practices by creating data governance schema, policies & procedures
- Collaborating with business, analytics and product teams to determine data needs in terms of quality and volume
- Collaborating with Architects, Provider Management and Business Engineering to design and enforce data management standards
- Formulating techniques for quality data collection to ensure adequacy, accuracy and legitimacy of data
- Devising and implementing efficient and secure data handling procedures and analysis with attention to all technical aspects
- Supporting others in the daily use of data systems and ensuring adherence to legal and company standards
- Monitoring and analysing information and data systems for performance evaluations and continuous improvement (new technologies, upgrades, etc.)

ABOUT YOU | What's your background?

- A degree in Information Technology or equivalent combination of education and experience
- Strong experience in data management or analysis
- Ability to decipher and organise large amounts of data
- An analytical mindset with strong communication and problem-solving skills
- Sound understanding of data portability considerations and models
- Knowledge and/or experience with Database Architecture and MS Azure & AWS Technology Stack
- Understanding of AI and big data, analysis mechanisms and enabler of cross-team collaboration
- Team player with a strong focus on influencing and soft skills

WORKING FOR ADVANZIA

THE UNCONVENTIONAL BANK

WHAT WE EXPECT | What are your skills?

- Customer and service orientated mindset
- Ability to learn, understand and apply new technologies
- An accurate, detail-oriented working style whilst keeping an eye on the big picture
- Ability to work independently with minimal supervision in a team-oriented environment
- Ability to deliver results within a defined timeframe
- "Can-do" and "Getting-things-done" mindset
- Fluency in English is mandatory; French, German or other languages are considered as an advantage

WHAT WE OFFER | What advantages will you have?

- Attractive benefits as part of the banking collective agreement
- Wide range of additional benefits, e.g. Sympass, luncheon vouchers, transportation allowance, etc.
- On-the-job training
- Dynamic and international work environment in a fast-growing company
- Participation in various CSR initiatives

Where you will be working

Located in bright and modern offices in Munsbach at 15 minutes from Luxembourg City, Advanzia currently employs more than 200 staff from all over the world. We offer a pleasant and collaborative working atmosphere in a truly multicultural environment.
