

**LOOKING FOR MORE THAN A JOB?**  
**JOIN US!**

## **FINANCIAL CONTROLLER (M/F/D)**

As a Financial Controller you will play an important role in supporting the growth of our business in a fast-changing environment. Within the Finance department, the Controlling team is responsible for Advanzia's financial planning and analysis. The team establishes management reports, budgets, forecasts, cost controlling, financial analyses and leverages the bank's extensive databases. You will join a highly motivated and diversified team and will collaborate across different disciplines with key stakeholders on a controlling framework that supports major decisions of the senior management team. This opportunity is a full-time CDI contract.

### **ABOUT THE JOB** | What will you do?

As a Financial Controller, you will be responsible for the following activities:

- Financial planning and cost management
- Perform regular cost control, follow up and analyses, and share insights and reports to key stakeholders
- Contribute to month-end closing by reviewing the financial results to ensure completeness and accuracy
- Drive continuous enhancement of processes, including implementation of best practices and automation initiatives
- Support ad-hoc requests on finance and operations related matters

### **ABOUT YOU** | What's your background?

- University degree in Finance, Business, Econometrics, or any similar discipline in the financial area
- More than five years of professional experience in banking, finance or advisory with focus on financial planning and analytics or cost management
- Good understanding of accounting principles
- Highly proficient user of MS Excel (regular use of advanced formulas, automation of spreadsheets, etc.) and MS Word
- Exposure to data mining and business intelligence tools (e.g. SQL, Power BI) with strong motivation in gaining advanced level
