JOIN US!

UX DESIGNER (M/F)

Advanzia Bank is a European digital bank specialising in credit cards and card payment solutions for consumers, business partners and financial institutions. Advanzia was founded in 2005 in Luxembourg. With over 1.7 million active credit card customers, we are a leading online credit card issuer in Germany and have a strong presence in Luxembourg, Austria, France and Spain. As a result of our continuous growth, we offer many job opportunities for dynamic, skilled and open-minded team players!

ABOUT THE JOB | What will you do?

The UX Design Officer is part of the Product Development team that forms a part of Advanzia Bank's Marketing and Sales department. The responsibilities of the team are to manage existing products as well as researching, scoping and developing new product ideas.

The UX Designer will be primarily responsible for the ongoing design of the bank's online customer apps and web portals and the following activities:

- Participating in the definition and development of the user experience for the browser and mobile app customer banking portals
- Designing user scenarios and user stories associated with new online functionalities or services
- Participating in product development initiatives for new online functionalities and services
- Developing and presenting layout and design concepts to key stakeholders
- Implementing a consistent online product brand experience across different product ranges and markets
- Participating in the testing process of new features and functionalities
- Managing the content for our various online portals using various CMS platforms
- Supporting the Marketing and Product teams in developing creative concepts for a wide range of sales and product launch communications

ABOUT YOU | What's your background?

- University degree in graphic design or digital media, or significant professional experience.
- 3 - 5 years of practical experience in a similar position, ideally in the banking, insurance or finance sector.
- Excellent knowledge of the following Adobe applications: Sketch, Photoshop, Lightroom, Illustrator, InDesign and Dreamweaver.

WORKING FOR ADVANZIA

THE UNCONVENTIONAL BANK

WHAT WE EXPECT | What are your skills?

- Good verbal and written communication skills; ability to communicate with stakeholders at all levels
- Pragmatic approach focused on creating clear value added solutions
- Excellent organisational skills and the ability to prioritise, multitask and meet deadlines
- Customer centric and service-oriented personality
- Fluency in English is mandatory; any additional European languages are advantageous

WHAT WE OFFER | What advantages will you have?

- Attractive benefits as part of the banking collective agreement
- Wide range of additional benefits, e.g. Sympass, luncheon vouchers, transportation allowance, etc.
- On-the-job training
- Dynamic and international work environment
- Participation in various CSR initiatives

Located in bright and modern offices in Munsbach at 15 minutes from Luxembourg City, Advanzia currently employs around 200 staff from all over the world. We offer a pleasant and collaborative working atmosphere in a truly multicultural environment, and we are always looking for talented and enthusiastic people to join our team.
