APPLICATION DEVELOPMENT JUNIOR OFFICER (M/F/D)

The Application Developer Junior Officer will have the opportunity to deliver smart products and solutions that create business value and improve overall processes at Advanzia. As part of the Application Development team, you will play a key role in the value delivery process of the bank, covering technical design, development of applications and services, as well as application architecture. This opportunity is a full-time CDI contract.

ABOUT THE JOB | What will you do?

As an Application Developer, you will be responsible for the following activities:

- Analyse business requirements
- Develop and continuously maintain internally developed applications and interfaces between internal and external systems
- Ensure quality assurance and process documentation
- Support the change and incident handling process
- Design and draft technical specifications and estimations
- Reporting design and enhancement

ABOUT YOU | What's your background?

Required qualifications

- Bachelor's degree in a technical field (e.g. Computer Science, Information Systems) or an equivalent degree, or relevant experience in the field
- Good knowledge of Microsoft frameworks: C# .NET and C# .NET core
- Good knowledge of web services (REST, SOAP)
- Experience in data modelling and usage of the Microsoft SQL Server suite or equivalent
- Unit testing background
- Relevant experience in Service Oriented Architecture or Micro Services

Desired qualifications

- Proficiency in Microsoft Developer suite, Visual Studio, Azure DevOps and Git
- Knowledge in any Agile methodology (SCRUM, SAFE, ...)
- Knowledge of Application Life Cycle and usage of Azure DevOps
- Background in banking and/or credit card industry or consultancy

WORKING FOR ADVANZIA

THE UNCONVENTIONAL BANK

WHAT WE EXPECT | What are your skills?

- Dynamic, service and results-oriented personality
- Strong analytical skills
- Strong communication and interpersonal skills
- Excellent time management skills and a structured approach with the ability to set priorities in a fast changing and demanding environment
- Ability to work autonomously and take initiative with minimal supervision as well as part of a larger team
- Ability to quickly gain an understanding of the business applications engine
- Desire to learn new technologies and willingness to share knowledge with other teams
- Fluency in English is mandatory; French, German or other languages are advantageous

WHAT WE OFFER | What advantages will you have?

- Attractive benefits as part of the banking collective agreement
- Wide range of additional benefits, e.g. Sympass, luncheon vouchers, transportation allowance, etc.
- On-the-job training
- Dynamic and international work environment
- Participation in various Corporate Social Responsibility (CSR) projects as part of the bank's [Advanzia Plus](#) initiative

Where you will be working

Located in bright and modern offices in Munsbach at 15 minutes from Luxembourg City, Advanzia currently employs more than 200 staff from all over the world. We offer a pleasant and collaborative working atmosphere in a truly multicultural environment.
