

NETWORK AND SECURITY ADMINISTRATOR

(M/F) – FULL TIME

Advanzia Bank S.A. is a European online direct bank specialising in credit cards and card payment solutions for consumers, business partners and financial institutions. Advanzia was founded in 2005 in Luxembourg. With over one million active credit card customers, we are a leading online credit card issuer in Germany and have a strong presence in Luxembourg, Austria and France. Moreover, we recently launched our no-fee credit card in Spain.

As a result of our continuous growth, Advanzia offers many job opportunities for dynamic, skilled and open-minded team players. We are currently looking for a Network and Security Administrator to join our IT Infrastructure & Production team in the Technology & Projects department.

ABOUT THE JOB

The IT Infrastructure and & Production team supports the daily operations of our production environment.

The Network and Security Administrator will be responsible for the following activities:

- Install, configure and maintain the network equipment as well as the security infrastructure
- Ensure the availability, integrity, security and good performance of the network and security infrastructure
- Collaborate with suppliers for outsourced infrastructure, such as Telephony (UC) and Security Operations Center (SOC)
- Perform incident resolution and follow-up, problem identification and analysis
- Perform day-to-day network and security infrastructure operations
- 3rd level support for the whole IT equipment
- Participate in continuous improvement of the overall production environment and write appropriate guidelines

ABOUT YOU

- Bachelor's degree "BAC+3" in Information Technology or equivalent combination of education and experience in a similar position
- Strong knowledge in TCP/IP, Local Area Network (LAN), Wide Area Network (WAN) and Wireless networks (Wi-Fi)
- Excellent knowledge in Firewall, Virtual Private Network (VPN), Network Access Control (NAC) and Load balancer administration
- Familiar with Microsoft Server, Linux as well as virtualisation based on VMWare
- Knowledge of Web proxy and Mail Relay management
- Knowledge of the ITIL Framework
- Proven skills in Business Continuity Planning
- Ability to translate business needs into technical requirements

WHAT WE EXPECT

- Good customer and service orientation skills
- A high level of technical awareness within the assigned area of responsibility
- An accurate and detail-oriented working style while keeping the big picture in mind
- Ability to work independently with minimal supervision in a team-oriented environment
- Ability to deliver results within a defined timeframe, even under pressure
- Good verbal and written communication skills in English

WHAT WE OFFER

- Attractive benefits as part of the banking collective agreement
- Wide range of additional benefits, e.g. Sympass, luncheon vouchers, transportation allowance, etc.
- On-the-job training
- Dynamic and international work environment
- Participation in various CSR initiatives

Located in bright and modern offices in Munsbach at 15 minutes from Luxembourg City, Advanzia currently employs around 180 staff from all over Europe. We offer a pleasant and collaborative working atmosphere in a truly multicultural environment, and we are always looking for talented and enthusiastic people to join our team.

Looking for a new professional challenge in a fast-growing company?
